3rd Annual South Valley Industrial Summit

The Industrial Summit provides an opportunity for industrial businesses to come together to share best practices, attend informational and educational breakout sessions, and to engage in B2B networking.

Thursday, October 3rd will begin with pre-summit workshops offered free of charge to industry partners. Come and learn about new technologies and processes.

Friday, October 4th is designed to be a full-day event that will feature vendor booths, keynote speakers, and various breakout sessions offered by industry experts and practitioners.

Keynote Speakers

Ashley Swearingin

President and CEO

Central Valley Community Foundation

Dr. Janet Duliga

Chief Administrative Officer
